Part A: Pupil premium strategy plan

Statement of intent

Ormiston Cliff Park Primary Academy is committed to ensuring that pupils who experience barriers to educational achievement, and therefore qualify for the pupil premium grant make as much educational progress as their peers and experience the same level of enjoyment and welfare as their counterparts. Research has found that the recent disruption to schooling caused by the Covid-19 pandemic has had a significant impact on disadvantaged pupils and that the attainment gap has grown as a result of national lockdowns. The economic impact of Covid 19 has also led to higher numbers of pupils qualifying for pupil premium

The Academy's strategy builds upon the strategy of 20/21 using a tiered approach, targeting spending across 3 main areas, ie investment in high quality teaching, investment in targeted academic support and investment in supporting specific non-academic issues that impact success in school, such as attendance, behaviour and social and emotional challenges

The Academy draws upon evidence of effective practice in determining how to utilise the funding, focusing on a small number of priorities each year in areas that are likely to make the biggest difference, prioritising on ensuring that implementation is effective through rigorous monitoring of impact.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Lower levels of speech, language and vocabulary development
2	Poor attendance rates. High PA
3	Lower aspiration and motivation
4	Higher number of issues relating to parental mental health, wellbeing
5	Lower engagement with learning throughout the pandemic due to issues with access to learning
6	Issues relating to staff retention and recruitment

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
By the end of the strategy the Academy wants to demonstrate a profile of closure of gaps in attainment, achievement, attendance and engagement in the wider curriculum, between children deemed to be disadvantaged and that of less disadvantaged peers	2022 – PA for Disadvantaged pupils will be less than 10%. Attendance 96%
	2022- EYFS 70%of Disadvantaged pupils will achieve GLD
	2022 -Year 1 Phonics – 70% of Disadvantaged pupils will achieve a pass in Phonic screening test
	2022- Year 2 Phonics – 70% of Disadvantaged pupils will achieve a pass in Phonics screening test
	2022 -End of KS1 – 70 % of Disadvantaged pupils will achieve age expected outcomes in Reading and Maths and 60% in Writing .15% of this group will achieve Reading at Greater Depth,20% will achieve Maths at greater Depth and 10% Writing.
	2022- End of KS2 – 75 % of Disadvantaged pupils will achieve age expected outcomes in Reading and Maths and 70% in Writing .20% of this group will achieve Reading and Maths at Greater Depth,20% and 10% Writing. Progress scores for Disadvantaged will be in line with national average
